Premium Plan

Includes:
- **Manually post up to 50 jobs at a time**
- All your jobs will be highlighted in our email campaigns, prioritized in job search results, and included in digital marketing efforts.
- **Some ATS Integrations available with this plan** (See Appendix I & II)

Cost: (subscription paid with debit or credit card)
- $499/month or $4,999/year
- No contract. Cancel anytime.

Appendix I - Simple Integrations

With our Premium Plan, **you** have the ability to set up an ATS integration, triggering our system to "pull in" your active jobs. The jobs will update periodically to stay up-to-date. When a candidate clicks apply, it will redirect them to finish the application through your system (see full list below).

Appendix II - Simple Integrations

Steps for setting up a "Simple Integration":
1. If you have not already, <u>create an employer account here</u>.
2. Upgrade your plan to Premium under the "Manage Plan" tab in your employer dashboard.
3. Click the drop-down arrow next to your name in the upper right-hand corner of the employer dashboard and then click "settings".
4. Scroll down to the bottom of the page and click the "Link Account" button.
5. Choose from the "Select Integrations" pop-up and go through the short process.
